A 6-clue Christmas hunt

Print pages 2 and 3 (card stock works best) and cut on the dotted lines. Keep this page — don't hide it! Takes about 10 minutes to set up and 15 to play, ages 4–10.

Step	Card	Hide it at…	Hidden ✓
★	START + clue No. 01	Hand them to the hunters	
1	Clue No. 02	**Christmas tree** — clue No. 01 points here	
2	Clue No. 03	**Sofa cushions** — clue No. 02 points here	
3	Clue No. 04	**Christmas stocking** — clue No. 03 points here	
4	Clue No. 05	**Refrigerator** — clue No. 04 points here	
5	Clue No. 06	**Pillow** — clue No. 05 points here	
6	FINISH (or the gift)	**Bookshelf** — clue No. 06 points here	

How it works: each card points to a spot, and the *next* card is hidden at that spot. Clue No. 06 points to the bookshelf, so the FINISH card — or a small present — waits there. Change the spots? Use the four blank tags on page 3 and write your own.

where milk and juice and leftovers hide.
